

# THE PEACE PLAN

November 28, 2010

Special Standalone Message

God designed us to make a difference in this world and to make an impact with our lives. There's only one way to do that...by serving others. We can't serve God without serving others. That's why Jesus said, "If you want to be great, learn to be the servant of all." Serving others through the Church of Jesus Christ is what the PEACE Plan is all about, and its reason for being: "**Ordinary people empowered by God's Spirit, doing what Jesus did, together, wherever they are.**"

**The vision of the PEACE PLAN is to mobilize Christians around the world to address five GIANT PROBLEMS:**

- Spiritual Emptiness
- Self-Serving Leadership
- Poverty
- Disease
- Illiteracy

The Christian Church was designed by God to take the lead in this effort. It has the world's largest distribution network, the most people ready and to serve, and the greatest motivation of all—the LOVE of Jesus Christ.

Since responding to these five global giants through the local church is what Jesus says Christians must do, that's where the PEACE Plan focuses. We have committed ourselves to fulfilling these five expressions of God's love:

- **P**romote Reconciliation
- **E**quip Servant leaders
- **A**ssist The Poor
- **C**are For The Sick
- **E**ducate The Next Generation

The PEACE COALITION is a growing network of churches and individuals that will eventually become a network of hundreds of thousands of churches and millions of Christians working together—in concert with governments, businesses and charitable organizations—to address the world's five GIANT PROBLEMS.
